Festive Food to Order for Thanksgiving & Christmas

Our free range oven ready bronze turkeys are traditionally reared on a small family farm in rural north-west Essex. The family farm have been producing hand reared, free range turkeys for Christmas for over 60 years. They roam freely, foraging and eating a natural diet, without additives, chemicals or antibiotics. The turkeys are dry plucked and hung for seven days, allowing for a fully developed taste and moist, succulent meat – do order promptly, these are special birds and numbers are limited.
